Re: Offer of Settlement In Lieu of Filing a Formal Disciplinary Complaint

Dear Mr. Beasley:

This letter is to advise you that the New Jersey State Board of Physical Therapy Examiners (the "Board") has had an opportunity to review information concerning the physical therapy services provided at Sports Physical Therapy Institute, at the New Brunswick, New Jersey location. Specifically, the information reviewed included the following: 1) an anonymous complaint filed with the Board on or about November 12, 2005, and amended on or about December 31, 2005, alleging that duties were being improperly delegated to physical therapy aides; 2) A complaint filed by E. M., on behalf of his wife, B. H., alleging improper patient billing; 3) the patient records of B.H.; and 4) the testimony that you provided at the investigative inquiry held on July 11, 2006, which you attended without legal representation.

Based upon its review of all available information, the Board has preliminarily found that probable cause exists to support a finding that you violated N.J.S.A. 45:1-21(n), in that you aided and abetted aides, who are unlicensed, in performing tasks that require a physical therapy license. The task the aides appeared to have performed are within the scope of acceptable tasks for licensed persons in the practice of physical therapy, as regulated by N.J.A.C. 13:39A-2.4.

Upon questioning, you confirmed that aides at your facility performed a number of activities, including: setting up patients on the exercise equipment; instructing patients on their performance of exercises, often based upon the printed out flow sheet for the patient's session; instructing patients on home exercise programs; and correcting patients during the performance of their exercises. Also, according to your testimony, an aide is sometimes the first person that makes contact with the patient at subsequent visits to the clinic following the initial evaluation. Additionally, you confirmed that aides at the Princeton facility are involved in the placement of hot and cold packs on patients.

At this juncture, the Board has preliminarily concluded that the above violations are sufficient to warrant the initiation of formal disciplinary proceedings against you. Notwithstanding that decision, however, the Board has determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of disciplinary proceedings, should you consent to:

1. A formal reprimand for aiding and abetting aides in performing tasks within the scope of practice of physical therapy, in violation of N.J.S.A. 45:1-21(n) and N.J.A.C. 13:39A-2.4.

2. Pay a penalty in the amount of \$1,000.00 for your violation of N.J.S.A. 45:1-21(n) and N.J.A.C. 13:39A-2.4, to be paid immediately upon your signing of the acknowledgment at the bottom of this letter. Payment is to be made by certified check or money order and made payable to the Board of Physical Therapy Examiners and sent to the attention of the Executive Director, P.O. Box 45014, Newark, New Jersey 07101.

3. Pay costs in the amount of \$306.00 to be paid by certified check or money order immediately upon signing of this letter to the address listed above.

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office. Upon your signature, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of formal disciplinary action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil penalties in an amount greater than that herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order, requiring you to reimburse certain monies and/or requiring you to pay costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General Carmen A. Rodriguez, who may be reached at (973) 648-3696.

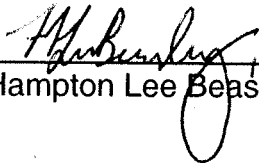

If you elect to settle this matter presently, you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney General's Office for the initiation of formal disciplinary action.
